Tom Berry Executive Director of Biggby Coffee AAA Hockey:

"This partnership gives our Tier 1 teams a permanent home within district 6. This also gives us the ability to continue to grow the girls game in Michigan. Ann Arbor is a perfect fit for us and the future growth of our club."

Ann Arbor's Director gave a statement:

"Ann Arbor Hockey Association is super excited to partner with Biggby T1 Hockey in bringing a new level of girl's ice hockey to the Ann Arbor area.

The addition of the Biggby T1 Girls hockey program within our rinks will add a level of excitement for our young female athletes and showcase a part of the many options that female hockey players have here in Michigan.

Currently, Ann Arbor Amateur Hockey Association is home to Ann Arbor Cougars T3 Girl's ice hockey programming as well as Washtenaw United Girls' High School hockey program.

We are looking forward to this partnership and the opportunities it will present for the future of the girl's program at Ann Arbor Amateur Hockey Association and the surrounding areas".
